Time Out says

How many works of art can fit inside a suitcase?

Inspired by a story about a suitcase abandoned in a station, **'La maleta'** is an exhibition of **contemporary art** that you will find in El Quadern Robat gallery. The suitcase of the story turns out to be full of photographs, paintings and statues, and this is how it becomes the starting point of this exhibition of contemporary artists and their pieces, which can fit in a suitcase.

In the contemporary art gallery El Quadern Robat, the exhibition 'La maleta' brings together works by Daniel Berdala, Jordi Casañas, Amparo Fernández, Jesús Galdón, Oriol Jolonch, Salvador Juanpere, Elena Kervinen, Jordi Lafon, Fiona Morrison and David Ymberton . Through the pieces of these artists, 'La Maleta' shows us different ways of conceiving the reality where we live, art, imagination and the passage of time.
