ART AND ARTS

JUAN BUFILL

The last three weeks of autumn are a good time to visit exhibitions in the galleries, since every year brilliant individual shows and also some splendid collective ones tend to be concentrated at this time. In Barcelona the route could start from [...]. And, in El Quadern Robot, Toni Giró presents his drawings of burning cars and borderline situations, between rejection and fascination. Giró also exhibits at Can Manyé (Alella), with the title *The Absolute Obsolete*.
