Validity and actuality of Antonio Saura

Antoni Muntadas gathers his serial works at the Joan Prats gallery

JUAN BUFILL

Barcelona

It has been years since an important set of painting by Antonio Saura was exhibited in Barcelona (...)

Salvador Juanpere. Last days to visit the exhibition *D'après, selon, suivant*, a reflection on sculpture through drawings and sculptures where forms are combined with ideas literally expressed. The references used by Juanpere are as wide and diverse as the materials used, from Brancusi and Giacometti to some residual pieces of marble. *El Quadern Robat*. Còrsega, 267. Until June 2.
